How Our Organization Began

Since August of 2006, Maxwell Meiborg has courageously battled Medullo Blastoma, a form of brain cancer that affects children. Following surgery, he underwent 15 months of chemotherapy and an additional 30 days of radiation. The entire regiment was completed earlier this year. Now, 4 year old Maxwell is doing very well. His family is anxious to move forward and for Max's upcoming Make A Wish trip to Disney World!

The Maxwell Meiborg Foundation was created on behalf of Max's strength and perseverance. He and his family want to give the gift of a wish to other children and their families. This year will be the 3rd annual Maxwell Meiborg Foundation Golf Tournament. Money raised will sponsor another child's wish through the Make A Wish Foundation.

This Year's Child

Devann is an amazing 11 year old girl courageously living with cystic fibrosis. Help us grant her wish and send her to Disney World!

Having just started the 6<sup>th</sup> grade at a Cedar Rapids Middle School, Devann is anxious for her Make-A-Wish trip in November; she is especially excited to visit the Animal Kingdom because of her passion for all kinds of animals.
