*The Maxwell Meiborg Foundation was established in 2007,
one year after Max was diagnosed with brain cancer.
This year, we celebrate 5 years of life by sponsoring
our 5th local child's wish!*

*Since 1980 the Make-A-Wish Foundation has enriched the lives of
children with life-threatening medical conditions through its wish
granting work.*

Celebrating 5 more birthdays and
5 years of granting wishes...
HIGH 5!
